

Text to Tammy Sprague requesting equal estate status.

REQUEST FOR INTERVENTION OF RIGHTS
to Estate Representative Tammy Sprague
From Intervenor of right: Brian Van Winkle

On Monday May 20th 2019 After explainung via text prior to this request (available if required) the details and condition of Removal to Estate rep. Tammy Sprague, Brian VW felt uncomfortable with her lack of response As Estate representative, and there was concern this case would not go to B.C. for a Removal Request. The following is reproduced from a portion of text communication that occured between Tammy Sprague Estate rep. and Brian VW Intervenor requestor.

To Tammy: " I'am requesting you allow me to be put back on as equal representation of Dads Estate. I should'nt have to go through you nor should they(the Atty's) in order for me to speak my thoughts or make request. Why should the attorney be required to get your permission to meet/ speak with me?

My interest dont feel like they are being considered and actions being taken dont seem to be geared towards enhancing my best interest.

This is my right as a Defendent in Interevention.

Are you Willing to request Trey Name me beck on the case from here on?"....

..." I would like for you to write a note we can give to Trey and Kyle stating that I'am electing to exercise my rights as an Defendant in intervention and that I 'am from this point foward on equal footing with you as representative of the estate. I want to present it to them at our meeting tomorrow."...

..." What is Going on with Kyle and minutes Now?

Did you request Kyle add Mandatory Remand info to minutes?"

BrianVW recieved no response from Tammy Sprague, personal representative of the Estate of Fred Van Winkle. BrianVW typed up a request to be allowed equal status with Tammy and took it the next day and confronted Tammy with it prior to the meeting with both the State and the Bankruptcy attorney.
